January Highlights

Spring Semester has begun and FWIB kicked off this year with a bang! We welcomed new members to our FWIB family at Business Bash and had our first GBM with guest speaker, Geico. This month, we opened our mentor/mentee and Spring 2021 Chair applications and we finished the month off strong with preparations for Warrington Career Week. Back by popular demand, our Among Us social was a huge success, and our first in-person event, a headshot fundraiser, was safe and sunny! Community service with Free Rice and PD workshops for career showcase have been keeping our members busy, and we look forward to hosting more events throughout this semester.

January Recap:

- GBM 1 - Geico
- Mentor/Mentee applications open
- Spring 2021 Chair applications open
- Among Us Social
- Community Service: Free Rice and Chat
- PD Workshop: Career Showcase
- Headshot Fundraiser

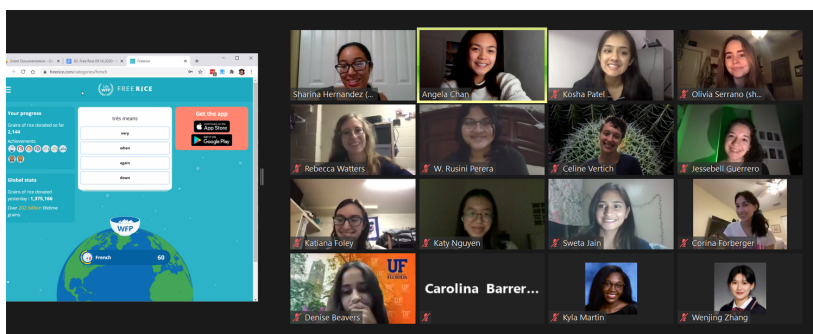

Professional Development

In preparation for Career Showcase and Warrington Career Week, our Professional Development Director, Koshia, hosted a PD workshop this month: Preparing for Career Week and Showcase! She shared important tips, tricks, and showcase advice for all of us to do our best in the first week of February.

Socials

Our FWIB members can't get enough of Among Us! Back by popular demand, our first social of the year involved playing Among Us for new and old members to get to know each other and have some fun at the beginning of the semester. We look forward to many more fun socials like this one next month. Sneak Peek: Vision Boards!

Community

FWIB strives to be a supportive, empowering environment for everyone, and we hope you are all able to find that sense of community here with us.

Alone we can do so little; together we can do so much.

Member Spotlight

I'm a second year from West Palm Beach majoring in accounting with a minor in innovation. This is my 3rd semester involved in FWIB, and within it I have been able to develop professional skills and be a part of a strong community of women that are so supportive in helping you grow and become successful. Being part of FWIB has not only helped me gain professional development skills, but it has also allowed me to gain a sense of camaraderie with the members and the E-Board. The support given by these women is unmatched, and I am truly blessed to be part of such an impactful organization!
