HIGHLIGHTS

January and February were eventful months for Florida Women in Business! We kicked off the semester with a Career Week Workshop and the following week, we collaborated with BSiB to host a Spectrum Info Session. Shortly after, our members were given the opportunity to showcase their professionalism at Warrington Career Week and Business Bash. In February, P&G spoke at our first GBM of the semester and following that, we had an Ice Cream Social! We also had a study and card-making social where we prepared for exams and wrote cards to give to the Ronald McDonald House. Our chair and Mentor-Mentee program applications opened. A couple of weeks later, chairs were announced and we had our first Mentor-Mentee meeting. At GBM #8 we got to hear from KPMG and to finish out the month, we teamed up with BSiB and ALPFA to host a diversity event!

Community

FWIB has strived to emphasize the importance of community through our socials, committee meetings, Mentor-Mentee program, and other events. Our socials provide members with an excellent opportunity to interact with our FWIB community better while our Mentor-Mentee program assists in developing stronger connections to other members. Additionally, we worked to give back to our local community by writing cards for the Ronald McDonald House at our card-making social.

Leadership

These past couple of months, FWIB has diligently worked to provide members with numerous leadership opportunities, including our chair positions and Mentor-Mentee program. Our chair positions allow members to exhibit their leadership in FWIB while our Mentor-Mentee program gives mentors the chance to act as a leader for their mentee(s).

Member Spotlight

I'm a first year majoring in Business Administration with a specialization in pre-law and a minor in leadership and economics. When coming to UF, I was looking for a community that I could find positive people in and grow in. I knew I found that when I first met the FWIB community! This semester I look forward to growing my networking contacts and my leadership opportunities through FWIB. I'm addition, I excited to make an even greater impact on campus than I did last semester!
