Florida Women CHOMPING THROUGH THE GLASS CEILING in Business

March Highlights

During this lovely Women's History Month, we have hosted many exciting events! We've spent time enjoying the beautiful weather outside during our picnic social and painting social. We have also been preparing for our 4th annual Savings in the Swamp for the whole month! It was a huge success and we hope to have helped the UF community understand the importance of budgeting, investing, and negotiating salaries. We are closing out this month with a Women Leading in Business Q&A panel featuring speakers from Latin American Women in Business, Black Students in Business, UF MBA Women in Business Club, and Disney Vacation Club. Happy Women's History Month! We are so thankful for our supportive FWIB Family!

Networking

FWIB hosted our 4th annual Savings in the Swamp financial literacy event. We were able to hear from Wells Fargo, Fisher Investments, and Amazon. It was a great opportunity for us to interact with members from other clubs!

Public Speaking

Our Marketing and Professional Development Chairs had the opportunity to give a "Leveraging Your LinkedIn" workshop to our members at our General Body meeting. They did such a great job as workshop hosts and student leaders. We are so proud!

Pillar: Personal Development

FWIB seeks to provide women in business with the resources to improve themselves. Our goal is to get our members to see their full potential and be able to use it in classroom and workplace settings to continue growing and helping others.
