October Highlights

As the season gets spookier, FWIB has been making sure our members feel right at home by hosting many events. We started off the Mentor/Mentee Program strong by having a friendship bracelet making social with a huge turnout! We continued our community service initiatives by partnering with KACB and also supporting research. We have held some great workshops such as Working with a Mentor and Social Media Marketing. This month has also been exciting because we tabled outside of Heavener for a Warrington Wednesday session where Business students were able to learn more about FWIB! We even hosted the first day of Diversity Week with Forte! So many exciting opportunities for FWIB!

Allyship

FWIB had the opportunity to host the first session of Diversify Your Network: Women in the Workplace and Men as Allies. We partnered with Forte and they taught us how to activate allyship in career, classroom, and leadership scenarios. It was a great conversation!

Pillar: Leadership

FWIB aims to empower its members into realizing their full potential and finding the leader inside themselves! We hope to give our members the tools to succeed and lead the world in a way that is kind and fair.

“A leader takes people where they want to go. A great leader takes people where they don't necessarily want to go, but ought to be.” —Rosalynn Carter

Socials

All the FWIB members are already loving the Mentor/Mentee Program activities! Pictured here is the friendship bracelet making social outside of Plaza of the Americas. It was so much fun getting to see everyone's creative side and the mentorship bonds already forming!

Member Spotlight

"Hi! I'm Sonali Vibhakar and I am a second-year Business Administration major. This is my first semester in FWIB and I am so grateful to have had the opportunity to be involved in such a diverse and welcoming organization. Something I am really looking forward to this semester would have to be the Mentor and Mentee socials. I can't wait to connect and network with other members, all while having fun!"
