September Highlights

As a brand new school year starts, FWIB has been hosting events to welcome our new and returning members. We were very excited to host our first in-person General Body Meeting in a very long time. We have also had lots of virtual events such as Free Rice & Chat, a Networking Workshop, and an Among Us Social. In addition, we had the opportunity to partner with SFG and hear from Raymond James. In the midst of all of our events, we are also starting off our Mentor-Mentee Program for this year. We look forward to seeing Florida Women in Business bring an enriching experience for our members and make a difference at our very own Top 5 Public University. Here's to a great year!

Community Service

FWIB hosted the highly requested "Free Rice and Chat" Community Service Event this month. We had a great time learning more about our new members and an even better time answering questions to donate rice via the United Nation's World Food Program.

Community

FWIB aims to make UF and the Heavener School of Business feel smaller by creating a safe space for Women in Business to develop personally and professionally together.

“The greatness of a community is most accurately measured by the compassionate actions of its members.” - Coretta Scott King

Socials

FWIB is excited to meet all of our members in person this year! This month, we have had many great opportunities to bond with each other. The picture above is from the Sweetberries Ice Cream Social after our first GBM. We are excited to host more sweet-filled socials soon!

Member Spotlight

"Hi! I'm Lili and I'm a second-year Management major. This is my second year in Florida Women in Business and I really enjoy being a part of this organization. It is such a good way to connect with other Business students and hear from guest speakers. It was great to go to our first in person GBM this year and I'm looking forward to other in person events coming up soon. I am also a Mentor this year and so excited to help my mentees learn about opportunities in FWIB and the Business School.
