Socials

We held three socials this month! The picture above features some of our amazing members at the DIY Face Mask Social. The other two events were our Sweetberries Ice Cream Social/Fundraiser and making cards for hospitalized children community service/social event!

Leadership:

The art of motivating a group of people to act towards achieving a common goal; being able to inspire others and being prepared to do so.

“

The question isn't who's going to let me, it's who is going to stop me.

Business Bash

Some of our executive board at the Fall Business Bash. Our officers were able to meet so many sweet individuals and explain why FWIB means so much to them!

Member Spotlight:

"I am a third year International Studies major. My double major is Economics and Business Administration. During my free time, I ride horses just 20 minutes from campus! FWIB has not only helped me make friends but also helped me develop my goals concerning internships. These girls are truly amazing, they always have an open ear!"
