Florida Women CHOMPING THROUGH THE GLASS CEILING in Business

February Highlights

This February, FWIB shared lots of love with its members. We held a special event where we made friendship bracelets and decorated cards for Shands Hospital to celebrate Valentine's Day. We also celebrated Black History month during a community service event where we transcribed black history documents. In addition, we held some exciting socials, workshops, and fundraisers. We also focused on partnering with other organizations such as SAC, WBC, PFC, the CAP Mentors, and GGG, which you can read about on the next page. We have loved getting to our mentees in the Mentor/Mentee program. We also welcomed new chairs and hope they enjoy improving their leadership skills in their new positions!

Workshops

FWIB had the opportunity to partner with UF Securities Analysis Club, Warrington Book Club, UF Personal Finance Club, and the CAP mentors to hold a Resume Workshop! We learned how to highlight our strengths and maintain professionalism. Such a great experience!

Community Service

Our FWIB members are passionate about helping the community and working together. This month, we partnered with Gators Going Green and held a campus cleanup around the Business School area. We had lots of fun keeping our UF campus clean!

Pillar: Leadership

As we welcome our new chairs, FWIB continues to provide its members with new experiences and opportunities to improve their leadership skills. With amazing corporate speakers, we've brought networking opportunities to our students to help them take charge in shaping their futures.

Mia Creason

Member Spotlight

"Hi! I'm Mia Creason and I am a freshman majoring in Business Administration. This semester I am really looking forward to the Mentor/Mentee program and having the opportunity to gain some new skills from my mentor. I am also excited to spend time bonding with other members so we can learn from each other's experiences."
